## HAIL AND FAREWELL

Dear Keith,  
Well it seems  
like solong huh?  
It's been a lot of fun for  
the last four, hasn't it. Especially  
this last one. Here's wishing you  
lots of luck and stuff in what's ahead.  
yours,  
Georgeloff

# HAIL AND FAREWELL

To wish you the  
best of luck - U.S.N. or  
otherwise - and all the  
good things you deserve.  
Sincerely,  
Roy  
P.S. Bud.  
It's fun now  
going to school with you  
Dad

Dear Keith,

Well, this goes for  
Marion and I both, we  
hope you don't come  
back <sup>U.S.</sup> ever again

I <sup>(suppose you hope the safest)</sup> hope you have  
good luck in the army  
and make a first class  
private. If they have  
a position for some  
corny fokes I sure you  
could fill it.

Sincerely  
Skut
